Vinod Patkotwar takes over as Chairman of RCPSDC

In frame (L to R)- Mr P P Sharma, Head-HR, Apollo Tyres Ltd, Dr Ashrita Tripathi, Head Training & QA- RCPSDC, Dr K N Raghvan IRS, Executive Director-Rubber Board, Mr Vinod Patkotwar, Chairman- RCPSDC, Mr Anil Arora, Managing Director-J.H.M. Impex and Consultants, Mr Hiten Nanji Bheda, Chairman- AIPMA Environment Committee

The Rubber, Chemical and Petrochemical Skill Development Council (RCPSDC) has announced the appointment of Mr Vinod Patkotwar as its new Chairman. He was elected at the meeting of the Board of Directors of the Council. Mr Vinod Patkotwar is a Managing Partner at Crown Rubber Products, Pune (Maharashtra). He will be responsible for overseeing the operations of RCPSDC and work closely with its governing Council on strategic issues related to the growth of the Rubber, Chemical and Petrochemical industry in India.

A veteran in the Rubber Industry, Mr Vinod Patkotwar has held leadership positions in various industry forums. He has served as Chairman of the All India Rubber Industries Association (AIRIA) Western Region. As a Managing Committee member of AIRIA, he has been spearheading several flagship events of the industry aimed at increasing its competitiveness and profile. He pioneered a national expo under the banner RDME (Rubber Dies and Mould Exhibition) with great success. He has also been serving as the editor of AIRIA's widely circulated journal "Rubber India".

"Rubber Industry has undergone a transformation of sorts during the last decade and the role of RCPSDC in setting up a robust pan India skilling infrastructure cannot be underestimated. Some of the skill training projects, especially Saamarth and Utthaan, launched by RCPSDC have been well acclaimed. We invite the industry across the three verticals, especially MSMEs to come forward and make the most of the opportunities unfolded by RCPSDC"

Mr Vinod Patkotwar, Chairman, RCPSDC

“Mr Vinod Patkotwar joins at a juncture when RCPSDC is widening its footprint across the three verticals and replicating the success and learnings achieved in skilling up the Rubber sector across petrochemical and chemical sectors too. With a seasoned person of the calibre of Mr Vinod Patkotwar as the leader, the skilling up process will be further accelerated”

Dr Ashrita Tripathi, Head – Training and QA, RCPSDC

As one of the foremost sector skill councils in the country, RCPSDC has been involved in the skill training of nearly three lakh people, especially in the domains of Rubber Manufacturing, Rubber plantations and Tyre services. Currently, RCPSDC is working actively to meet the newly received mandate of upskilling chemical and petrochemical sectors in the country.

RCPSDC to train youth in Plastic Job Roles in Kerala under NULM

The process of plastic processing being done with the help of ' Injection Moulding Machine'

RCPSDC has been mandated with a work order under the aegis of **Kudumbashree & State Urban Livelihoods Mission (SULM), Kerala**. Kudumbashree is the poverty eradication and women empowerment programme implemented by the State Poverty Eradication Mission (SPEM) of the Government of Kerala.

The work order has been received under the Employment through Skills Training & Placement (EST&P) segment of the Deendayal Antyodaya Yojana - National Urban Livelihoods Mission (DAY - NULM) as a part of their Annual Plan 2022-23.

RCPSDC as an empanelled Skill Training Provider (STP)/ Sector Skill Council (SSC) had submitted an annual plan proposal to State Urban Livelihoods Mission (SULM) Kerala for conducting placement linked skill training in plastic job roles. Having examined the proposal in detail, the Evaluation Committee assigned targets for skill training in plastic vertical to RCPSDC at stipulated training centers accredited under SMART during the FY 2022-23 in the Mission cities for implementing the DAY- NULM programme.

“It is gratifying to note that RCPSDC for the first time has directly collaborated with the Mission in placement linked skill training of DAY- NULM in the state during FY 2022-23, providing opportunity to 420 candidates in the job roles of Machine Operator Assistant- Blow Moulding, Machine Operator Assistant- Plastic Extrusion, Machine Operator Assistant Injection Moulding, Rubber Compression Moulding Operator & Rubber Injection Moulding Operator ensuring placement to the certified candidates within or outside the state”

Ms P.I. Sreevidya I.A.S, Executive Director Kudumbashree

KUDUMBASHREE
STATE POVERTY ERADICATION MISSION, GOVT. OF KERALA

Plastic Injection Moulding Machine

As many as 120 candidates will be trained in the job role of ‘Machine Operator Assistant - Blow Moulding’ with 60 candidates each in the Kozhikode and Kannur districts of Kerala. Another 120 to be trained in the job role of ‘Machine Operator Assistant - Plastic Extrusion’ with 60 candidates each at Kottayam and Palakkad receiving the training in the trade.

60 candidates each will be trained in three important job roles of ‘Machine Operator Assistant - Injection Moulding’, ‘Rubber Compression Moulding Operator’ and ‘Rubber Injection Moulding Operator’ at Kochi, Neyyattinkara and Thiruvananthapuram respectively.

RCPSDC will commence the training as soon as SMMU/ CMMU officials inspect the training centre and issue a Training Commencement Order. The candidates will be trained & certified before 30th September 2022.

The Employment through Skill Training & Placement (EST&P) Component under NULM is designed to provide skills to the unskilled urban poor as well as to upgrade their existing skills. The programme provides for skill training of the urban poor to enable them to set up self-employment ventures and for salaried jobs in the private sector. The EST&P Programme intends to fill the gap between the demand and availability of local skills by providing skill training programmes as required by the market.
